TMEIC to Exhibit at Solar Power International 2017

Introducing Our Newly Launched Large-scale Outdoor PV Inverter SOLAR WARE 3200

at the Largest Solar Trade Show in North America

Toshiba Mitsubishi-Electric Industrial Systems Corporation (hereinafter, "TMEIC"; President & CEO Masahiko Yamawaki) will exhibit at Solar Power International 2017 organized by Solar Energy Industry Association, which will take place on September 10-13, 2017 in Las Vegas in the United States. Solar Power International is the largest solar trade show in North America that was participated by approximately 650 exhibitors and over 18,000 visitors from 110 countries in 2016. At the upcoming exhibition, TMEIC will use panel displays to present its newly launched 3200kW outdoor photovoltaic inverter SOLAR WARE 3200 with maximum input of 1500Vdc. TMEIC will also exhibit the actual machine of 2700kW outdoor photovoltaic inverter SOLAR WARE 2700. We look forward to seeing you at the TMEIC booth to learn more about our latest developments.
