
TMEIC to Exhibit at Mexican International Renewable Energy Congress 2018
– Introducing Our Package Solution with PV Inverter for Solar Power System –

Toshiba Mitsubishi-Electric Industrial Systems Corporation (hereinafter, “TMEIC”; President & CEO Masahiko Yamawaki) will exhibit at Mexican International Renewable Energy Congress 2018 organized by Green Power Conferences Ltd. The congress will take place from May 21 through to May 24 in Mexico City, Mexico.

At the upcoming exhibition, TMEIC will display panels to introduce SOLAR WARE STATION, which is a package solution system integrated with PV inverter, transformer and switchgear in a container box.

Mexican International Renewable Energy Congress is the largest marketplace for clean energy sector in Mexico and it will bring together representatives of Mexican renewable energy industry's developers, administrative agencies, financial institutions, investors and suppliers.

Please be sure to visit the TMEIC booth to learn more about our latest developments.
