

## TMEIC to Exhibit at Mexican International Renewable Energy Congress 2017

- Exhibit PV Inverters for Solar Power System for the Central American Market -

Toshiba Mitsubishi-Electric Industrial Systems Corporation (hereinafter, "TMEIC"; President & CEO Masahiko Yamawaki) will exhibit at Mexican International Renewable Energy Congress 2017 organized by Green Power Conferences. The congress will take place from May 8 through to May 12 in Mexico City, Mexico.

At the upcoming exhibition, TMEIC will display panels for its products that include 1500Vdc indoor PV inverters SOLAR WARE<sup>TM</sup> 2220 /2550 and a PV inverter package solution system SOLAR WARE<sup>TM</sup> STATION.

Mexican International Renewable Energy Congress is the largest marketplace and networking platform for Mexico's clean energy sector and will unite over 1,500 senior level attendees during the 5-day period. Please be sure to visit the TMEIC booth to learn more about our latest developments.
