
TMEIC to Exhibit at Intersolar North America 2017

— Introducing Our Newly Launched Large-Scale Outdoor PV Inverter SOLAR WARE 3200 —

Toshiba Mitsubishi-Electric Industrial Systems Corporation (hereinafter, “TMEIC”; President & CEO Masahiko Yamawaki) will exhibit at Intersolar North America 2017 hosted by Solar Promotion GmbH. The show will take place from July 11 through to July 13, 2017 in San Francisco, the United States.

At the upcoming exhibition, TMEIC will use panel displays to present its newly launched 3200kW outdoor photovoltaic inverter SOLAR WARE 3200 with maximum input of 1500Vdc. TMEIC will also exhibit the actual machine of 2700kW outdoor photovoltaic inverter SOLAR WARE 2700.

Intersolar North America is one of the major solar industry exhibitions and conferences boasting the largest number of visitors in North America.

We look forward to seeing you at the TMEIC booth to learn more about our latest developments.
