

## TMEIC to Exhibit at POWER-GEN ASIA 2019

– Proposing TMEIC’s Generators and Solutions at Major Power Industry Related Event in Asia –

Toshiba Mitsubishi-Electric Industrial Systems Corporation (hereinafter, “TMEIC”; President & CEO Masahiko Yamawaki) will exhibit at POWER-GEN ASIA 2019, which will take place at Malaysia International Trade and Exhibition Centre from September 3-5, 2019 in Kuala Lumpur.

TMEIC booth located at stand No.120 in Hall 7 will showcase its most advanced technology and quality products that will include air-cooled synchronous generators, new series medium-voltage motors, and medium-voltage variable frequency drives. TMEIC engineers will also make presentations to introduce TMEIC technologies, products and solution capabilities.

POWER-GEN ASIA marking the 27th occasion this year is one of the major and comprehensive events for electric industry and is expected to attract over 8,500 attendees from more than 60 countries worldwide.

Please be sure to visit the TMEIC booth if you come to the exhibition.
